## SteraLux SLIM

A STYLISH, NEW LIGHT FOR OFFICES

SteraLux's SLIM LED lights that are made in Finland, are energy efficient and environmentally friendly. Thanks to their slim shape and colour options, the lights are the perfect solution for different offices. The SLIM light also comes with a dimmable switch.

We customise the lighting according to your needs. You can modify features like beam angle, control systems, colour temperature, and mounting method. We provide lighting as a total solution, as we also offer design and installation services. We can also recycle your old lighting devices.

**USAGE: OFFICES, SCHOOLS, HOSPITALS, SHOPS**
